**my money experience**

*abundance, balance and control*

*I learned what issues were holding me back.  
What an Ah-Ha experience!*

Bev, Brighton MI

*I'm not afraid of facing my finances anymore.*

Lynn, Brighton MI

*This work changed my relationship with my mother. We now have very positive conversations around money. This workshop made me realize the importance of being aware of my financial situation and the importance of being proactive in my financial future.*

Kylee, Cleveland Hts., OH

*Since understanding how I was unconsciously limiting my income my business is growing every day.*

Robin, Ann Arbor, MI

*After going through the workshop I realized how much my family, especially my father, affected my attitudes about money.*

Janet, Brighton, MI

*This workshop helped me gain insights into other areas of my life. I also realized that I don't have to work harder to make more money.*

Rachel, Ann Arbor, MI
